

Chairman's Report

I would like to start by thanking all members for the hard work they have put in to the Milton Creek Trust and still continue to do so, particularly Lynda Marshall for her tireless efforts to raise funding for the Trust.

Last year I went on a visit to the Wheelabrator Plant at Kemsley. After the tour I was told about funding for small trusts, I gave that information to Lynda and from that we have an offer of funding of £2000 for 2 Bumblebee interpretation panels also from SBC a Culture grant of £1000 and County Councillor Sue Gent has given £1000 from her KCC fund towards Art in the Park.

So now we can go ahead with Planning Art in the Park 2019.

Also I would like to give my thanks to Kris Staples for his tireless commitment to the Park, trying to get more volunteers keeping the Park in good order.

If we all can aim at getting one person to join us in the Trust, perhaps we may get lucky.

Thank you.
