

Chairman's Report - 2020 AGM Milton Creek Trust

I would like to thank you all for coming tonight.

Over the past year we have had a lot of different events take place in the park, these are to name a few:-

Bird watching, bumblebee and newt surveys bat walks also a bird viewing platform has been built to watch more birds in a new scrape created in the reed bed.

I would like to say a big thank you to Kris and Ryan for all the hard work and events they put on and also thank you to Friends of Milton Creek and the Trustees who attend most of the events and meetings.

Thank you also to the Church for all the support they give us through the year.

Unfortunately due to bad weather we had to cancel Art in the park.

After a discussion with the trust it was agreed to give Art in the Park a miss this year and review the situation later in the year regarding 2021.

Park Run has been very well attended

We had The Handle Bars theatre group who entertain us and made us laugh and smile. This event was also well attended and a people were very generous with donation at the end of the show.

D S Smith did us proud again putting on a rounder match along with Wheelabrator, member of Trust and Swale Borough Council. They also provided a fine spread of food and drink after the match.

The South & SE In Bloom awards ceremony was in Brighton on Friday 13th September where we were very pleased to received Gold again. It was also Ryan's last day with us and he received a special award from the RHS. Champion and young champions

This is my first report as Chairman I hope I have covered every thing.

Sue Gent
